**Solicitation for: Small business enterprises (SBE's) /
Minority business enterprises (MBE's) /
Women's business enterprises (WBE's)**

CABE Associates, Inc is soliciting bids from Disadvantaged Business Enterprises for two projects in the Town of Chesapeake City, Maryland. The work for the first project is to include the design and construction of the Chesapeake City Water Main connection. The work for the second project is to include services to prepare RFPs and administer the purchase and installation of approximately 400 water meters.

CABE is soliciting bids for surveying, wetlands delineation, georeferenced aerial imaging, printing and site inspection services. Bids shall be received at CABE's Dover office no later than 12:00 p.m. on October 21, 2011

For more information, please contact Steven H. Lewandowski at shl@cabe.com or 302.674.9280.
